ENGINEERING TECHNICIAN II

(Announcement No. R-011-07)

Grade 18

Starting Pay: \$39,582.40 per year – plus extensive benefits package
40 hours per week – Monday thru Friday

THE JOB:

Performs a variety of engineering, drafting and administrative tasks essential to City construction and improvement projects. Drafts preliminary, base, construction and presentation drawings to produce storm sewer, sanitary sewer, paving, grading, and development plans and preliminary designs; performs inspections of civic construction projects and completes engineering design and project administration for minor projects; develops presentation drawings and initial site designs; performs design tasks using a Computer Aided Drafting system. Performs related duties.

MINIMUM

QUALIFICATIONS:

Associate's Degree in Engineering Technology or related field and 4 to 6 years experience in surveying, drafting and engineering related areas; or an equivalent combination of training and experience. Substantial knowledge of civil engineering and construction drafting and ability to operate complex CAD software and hardware is required. Valid NH Driver's License required.

NOTE: Offer of hire conditional on candidate's ability to complete essential job functions, with or without accommodations, as determined by medical exam.

APPLICATION

PROCEDURES:

Although submission of a resume is optional, candidates must complete a City of Manchester Employment Application, available at above address.

OPENING DATE:

Weds., Jan. 24, 2007

CLOSING DATE: Fri., Feb. 9, 2007
